

Some useful tips on how to use our new Members Marketplace!

Add special offers and edit your new, improved Business Directory Profile!

Accessing Your Offers & Profile!

Login by clicking the link in the header. If you don't know your login, let us know and we can assist you.

The **PROFILE**  icon will appear in the header. Clicking on the icon will take you to your profile, where you can add offers and benefits. You can also edit your new and improved profile. Think of this as your shop window to users!

Current Offers—These are the offers you currently have available to users.

HANDY TIP: If you would like to track your Offers, include an Offer Code in your Offer Description that enquiries must quote. For Example: "HROFFER1", "GYM2020". This will allow you to keep track of what offers are popular!

Add an Offer!

Once you have entered that information don't forget to **save** your offer. Your offers will be publicly available on the Ayrshire Chamber Website.

Edit Profile!

Since upgrading the member profiles, members can now give a visual impression of their business to users by uploading a profile image and cover picture. We would suggest adding your logo and branding here or perhaps some staff imagery, but it's really up to you....get creative!

Social Links!

We've now added the capability to add links to social media accounts. Just paste the respective URL's into the correct field and save.

TIP

You can add multiple offers depending on your membership tier.
