To add an offer click

Here you can add:

Offer Text—A title and description of what you're offering.

HANDY TIP: Include your company name + Location in the Offer Description!

Offer Image—An image or graphic to illustrate what you're offering.

The image must be a min size of 720px x 320px and max 1270 px x 590 px.

REMEMBER: We recommend leaving a white border around your graphic as the uploader can cut the edge off the image.

REMEMBER: Once you have entered that information don't forget to **save** your offer. Your offers will be publicly available on our website.
