## UK Government Dormant Accounts Funds & Grants

The Government's Culture Secretary recently announced that £150 million will be taken from dormant bank and building society accounts to help support the UK's charities and social enterprises whose work has been affected by the COVID-19 crisis. Bank and building society accounts that have not been touched for 15 years will see their money 'unlocked' to help charities, social enterprises and vulnerable individuals during the coronavirus/COVID-19 crisis.

The £150 million in funding will support urgent work to tackle youth unemployment, expand access to emergency loans for civil society organisations and help improve the availability of fair, affordable credit to people in vulnerable circumstances. More funds/grants may be announced.

*\*\*Please note that every Government Fund and Grant has its own specific set of restrictions and terms, please check all terms on each of the Grant or Fund websites\*\**
